

## The Card Bee

Contributed by Becki

Handmade cards from [www.thecardbee.com](http://www.thecardbee.com)

All my cards are handmade. I source most of my items locally and I like to maintain a high standard of service right through to delivery. If the card you are looking for is not on the site, please contact me so we can discuss your needs. There are regular special offers. Here are a couple of examples and the rest can be seen at [www.thecardbee.com](http://www.thecardbee.com)

Please visit my site for further examples and details of how to order. I post as Becki on the [Downsizer.net](http://Downsizer.net) forums.
