

## Kerry Hill Knitting Yarn

Contributed by Rob R

Produced from our flock of pedigree Kerry Hill sheep on the farm in Yorkshire, the yarn is soft to the touch yet hard wearing. Visit [www.rosewoodfarms.co.uk](http://www.rosewoodfarms.co.uk) to see the flock & the way in which we rear our animals, in accordance with the principles of the Wholesome Food Association.

The yarn is naturally coloured (white) spun in a three-ply light aran weight. Supplied in 100% pure Kerry wool 100g centre-pull balls. No minimum order.

Price: £3-99 per 100g ball
