

Hand crafted name plaques

Contributed by Mrs Nesbitt

Celebrate the birth of a new baby
with a bespoke hand crafted name plaque.

{kl_thumbimage img="dbd_isaac.jpg"}

As proud parents, grandparents or godparents,
commemorate the birth or christening with a unique gift.

Using original acrylic paints and in a traditional calligraphy style I can make a truly bespoke name plaque for your new baby.

I research the baby's name meaning and usage,
illustrating this on the plaque.

I can also depict the date of birth, appropriate illustrations, colour scheme and any other requirements you have. I can also use the same picture to produce smaller images for other family members, which could be available in a card, bookmark or plaque. At all times I use high quality materials, wherever possible from recycable sources. My materials are manufactured in UK and I use local suppliers.

Prices start at £95
